

VOLUNTEER REVIEW

Thank you for volunteering with the North Wales Wildlife Trust. Although staff run the day to day operation of the Trust, they could not do this without your help. Volunteering is at the heart of everything we do, and we would not be able to achieve our objectives without the hours of unpaid time and efforts that volunteers put in.

We would be grateful if you could take just few minutes to answer the following questions so that we can make sure your views are heard and your volunteer experience is a rewarding one. I will endeavour to take steps on your comments where possible. Your comments will be kept confidential. **Thank you for your help.**

1. How does the work you did relate to the aims of the Wildlife Trust?
2. Were your areas of responsibility clear, or were any areas unclear?
3. What have been the main achievements of your work with the Trust?
4. What aspect has given you the most satisfaction?
5. What were the most difficult areas of work?
6. What have been the most important aspects of your work?
7. How could what you did be more effective?
8. How could you improve the work you have been doing?
9. Are there any of your abilities or skills which were not being used?
10. What helpful training could the Wildlife Trust provide?
11. Have you had the right amount or too much supervision for what you been trying to do?
12. Were there any unnecessary pressures? If yes, why?
