

A conservation trainee is being appointed as a Trustee for North Wales Wildlife Trust. The first person under 30 ever to hold the position!

'I'm a changed person. I'm more aware of the problems we're facing, but I feel empowered to do more about it'
Bright Green Future participant

Our Bright Future Highlights Oct - Dec 2019

The BEE You project is working with a local school for the partially sighted to create braille workbooks; making beekeeping more accessible for more people!

A third young person has progressed from placement to employment at Groundwork London, showing the value of volunteering!

@Lancashire Wildlife Trust

The Lancashire Wildlife Trust Youth Council is making young peoples' voices heard by senior management and Trustees

Eleven projects took their learning outside for Outdoor Classroom Day; to show the benefits of outdoor learning!

@Impact Arts

@Abby Crosby for Cornwall Wildlife Trust

The Impact Arts garden has been transformed by the Creative Pathways Environmental Design team so that it can now be enjoyed by the local community
