

Living Seas volunteering opportunities (Spring/Summer 2021)

These will be added to, please keep checking in for more information. If you would like to join us, please let us know via email (dawn.thomas@northwaleswildlifetrust.org.uk or eve.grayson@northwaleswildlifetrust.org.uk). We will place your name on a list (or back-up list if you're in agreement) and will contact you with details within the week leading up to the event/activity (**please mark both our email addresses as favourites - sometimes our emails go to junk boxes**). There will be Covid-19 restrictions to the activities we carry out, so please help us to keep you, the public and us safe and stick to any instructions. *Not all activities require extensive marine knowledge, but all will require an ability to work with changing tasks.*
